WORK EXPERIENCE

Knitwear Intern MAY 2024 – JULY 2024

Dion Lee / New York, NY

- Fixed and altered knitwear samples for the current season by hand sewing to ensure the knitwear was maintained
- Did fabric manipulation experimentation for the up coming season
- Researched ways to use the brands core items and techniques and reinvent them for the upcoming seasons

Showroom Intern MAY 2024 – MAY 2024

Rick Owens / New York, NY

- Organized samples from different seasons and kept them logged
- Assisted with setting up the showroom for market week by changing the seasons out
- Maintaining inventory while packaging everything to be shipped back
- Dressing models for the buyers to see the upcoming season

Design and Development Intern JUL 2023 – SEP 2023

Peter Do / New York, NY

- Editing and creating CADs for tech packs for production as well as creating cut tickets for the SS24 collection
- Sewed over 5 samples while altering and creating patterns for various pants, skirts, and tops
- Assisting with collections via color story, design development, silhouettes, and handling samples
- Participated in SS24 Paris fashion week assisting with the preparation of the show consisting of organizing the different looks, assisting with fittings and styling, performing quick changes, and hand-finishing garments
- Assisted with Paris Fashion Week S/S 24

Womenswear Design Intern JUN 2023 – AUG 2023

Guild of Hands / New York, NY

- Made alterations and restorations on various vintage designer pieces for an evening wear tailoring company
- Sourced materials and trims in the Garment District, establishing relationships with over 20 garment suppliers
- Hand finished products over 15 products by hand hemming, attaching buttons, binding, and attaching closures

Womenswear Design Intern JAN 2023 - MAY 2023

BY. Bonnie Young / New York, NY

- Expedited the design process for the 2023 collection by keeping track of samples, editing and correcting patterns
- Created and designed various patterns for 6 pieces in the BY. Bonnie Young 2023 luxury womenswear collection
- Updated and kept track of inventory for the website and worked directly with the factory to oversee products

Fashion Week Volunteer

SEP 2021, FEB 2022, JUN 2022, SEP 2023,

NYFW & Dennis Basso & LFW / New York, NY, London, England

- Supported over 20 designers at NYFW for spring/summer 2022 spring/summer, 2021, and fall/winter 2022
 - Performed finishing touches on garments (hand sewing, steaming, etc.) and dressed models for the runway
 - Arranged the models and took notes for the designers about the outfits that the models were wearing
-
